Remarks

- Please come to the hospital if there is a show, leaking or abdominal pain. For enquiry, please call 2608 3270 (Maternity Unit).
- If Union Hospital and your attending doctor find that you are not suitable to deliver in our hospital, e.g. pre-term baby (less than 36 weeks), Union Hospital will refer you to another hospital under Hospital Authority.
- Please notify our staff whether you will join the Maternity Package UPON ADMISSION. NO alteration or refund is allowed once your decision is confirmed.
- On admission, please bring along with your identity card, valid travel documents (for non-HKSAR residents), Confirmation Certificate on Delivery Booking (for mainland pregnant mothers), doctor's referral letter, all antenatal investigation reports (especially High Vaginal Swab) and deposit receipt. A surcharge will be levied for those who cannot show their antenatal blood reports.
- No delivery suite surcharge will be levied for spontaneous vaginal delivery on weekdays, Saturdays, Sundays or public holidays.
- A surcharge will be levied for a caesarean section at a specific time.
- For Elective Caesarean Section, please come to the hospital 4 hours prior to the scheduled time of the operation. Fasting for 6 to 8 hours prior to the operation is required.
- For Spontaneous Vaginal Delivery, the husband can stay in the Monitoring Room and Delivery Suite. No surcharge is required.
- For the safety of the mother and baby, if the client undergoes a Caesarean Section, especially in case of an emergency, her husband is not allowed to go into the operating theatre during non-office hours (i.e. Monday to Saturday 21:30-07:00, Sunday and Public Holidays).
- For special nursing care and equipment for complicated delivery, additional charges may be incurred or the package offer may be cancelled.
- Charges will be levied for other laboratory tests & phototherapy treatments for the baby or diagnosis by Paediatricians.
- Additional charges will be incurred for the preparation of formula brought in by parents.
- Please bring along your nightgown. Nightgowns are also available for rental.
- You can buy a breast-feeding gown at the hospital if necessary. Please contact our staff for details.
- Baby's basic commodities will be provided by the hospital during hospitalization. Please bring along the baby's clothing on discharge.
- The check out time on the discharge day for the delivery package is at or before 12:00 noon.
- On the discharge day, both the baby and the mother have to check out at the same time (except for babies who need to stay for medical treatment).
- Please do not bring along any valuables.
- The hospital will only allow accredited cord blood storage companies to provide services.

Antenatal check-up Remarks:

- A surcharge of HK\$20,000 will be levied on the pregnant mother who does not receive any antenatal check-up prior to admission for delivery.
- A surcharge of HK\$10,000 will be levied on the pregnant mother who has received less than 3 antenatal check-ups (at least one week interval between each check-up, excluding unplanned visits in Emergency Medicine Centre and checking or investigation done on admission day) prior to the admission for delivery, as this may imposed extra risks on mothers and the hospital. (Since labour can occur anytime after 36 weeks of pregnancy, we strongly advise pregnant mothers to attend at least 3 antenatal visits before 36 weeks.)
- All antenatal check-ups and investigations must be conducted by Hong Kong registered obstetricians and pathology facilities.

*Doctor's fee and Anaesthetist's fee are excluded from the additional charges listed above. *All charges in this leaflet are effective from 1 January 2025.
